

Get started with Classplus Mobile App

Hey! Welcome to learnbay. This article will be a guide for accessing the courses through our mobile application. So let's start right away.

Detailed Installation Guide:

1. Open the app store, and in the search bar, type the phrase **Classplus**.
2. Tap on the get button, and then click the install button, the installation will begin.

The screenshot shows the Classplus app page on the App Store. At the top, there's a status bar with signal strength, battery level, and time (6:33 PM). Below it, the app icon (a blue square with a white 'C' shape) is displayed next to the app name "Classplus" and developer "Epsilon Eduventures Pvt. Ltd". A large blue "OPEN" button is prominent. To the right is a three-dot menu icon. Below the app details, the rating is shown as 4.1 stars from 1.5K Ratings, categorized under "No12 Education" and "12+ Age". Under the heading "What's New", it says "Version 3.0.25" updated "6d ago". The update notes mention regular updates and bug fixes, with a "more" link. The "Version History" section is also visible. At the bottom, there's a "Preview" section showing two screenshots of the app interface: one showing attendance data and another showing a class list for "Physics - Batch 1". Below the preview are navigation icons for "Today", "Games", "Apps", "Updates" (with a red notification badge), and "Search".

7. Your screen will look similar to this.

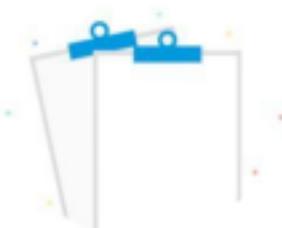

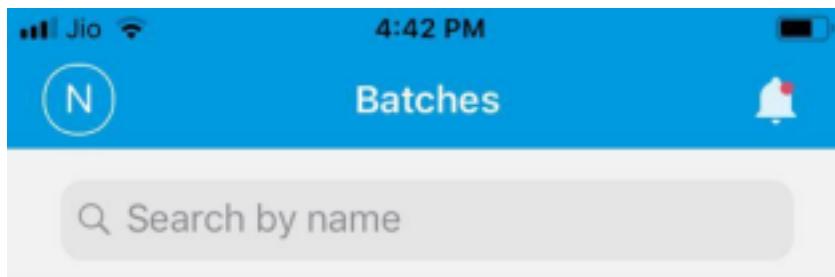

The screenshot shows the Learnbay mobile application interface. At the top, there is a blue header bar with the text "Home". Below the header, a large white box asks "WHAT DO YOU WANT TO DO?" with four circular icons: "Watch Video" (blue), "Practice Now" (purple), "Play Games" (yellow with a red "NEW" badge), and "Offline Download" (dark blue). Below this, a section titled "FREE VIDEOS FOR YOU" features a video thumbnail for "Day 04 Conditions & Loops Statement" with a play button icon. To the right of the video is a "VIEW ALL" link. At the bottom of the screen, there is a message: "You are not added to any batch yet" with a teacher icon, followed by "Request your tutor to add you to a batch" and a "Send Join Request" button. At the very bottom, there is a navigation bar with five icons: "Home" (house), "Batches" (two overlapping circles), "Store" (book), "Chats" (speech bubble), and "Profile" (person).

12. In the profile section on your app, you can navigate to the batches subsection, where you will be able to view all the batches you have enrolled to.

The screenshot shows the Learnvista app interface. At the top, there's a blue header bar with the user's name 'Neelmani' and a green circular profile picture containing a white 'N'. Below the header, there are four tabs: 'INFO', 'BATCHES' (which is underlined in blue), 'COURSES', and 'PERFO'. The main content area displays a section titled 'LB_DSC_1stJuly_WKDY' with a 'Languages' category listed, showing 'Python, Stats & ML, Deep Learning, NLP, Deploy...'. It also shows 'Classes attended (0%)' with a progress bar at 0/0. At the bottom, there's a navigation bar with icons for 'Home', 'Batches', 'Store', 'Chats', and 'Profile' (which is highlighted in blue).
